

# Support NARSOL with Amazon Smile

written by admin | September 19, 2019

If you shop on Amazon, you may be familiar with the Amazon Smile program which allows you to designate an approved non-profit organization to receive a portion of the funds you spend on the items that you purchase. Your participation in this program does not add any additional expense to your online purchase, but it can be a useful way to financially assist the organizations you already support.

We're pleased to let you know that NARSOL's 501(c)(3) foundation, Vivante Espero, has been approved to participate in the Amazon Smile program.

Founded in 2014, Vivante Espero exists primarily for the purpose of supporting NARSOL's advocacy in a number of ways. Vivante Espero produces most of NARSOL's promotional materials. It also supports NARSOL's conferences, publishes *the Digest*, provides ongoing support for the Fearless projects, and, as NARSOL's Legal Fund, Vivante Espero helps to provide capital for important constitutional challenges

throughout the nation.

In sum, your support for Vivante Espero is one in the same support for NARSOL. And NARSOL needs a strong and vibrant foundation to achieve its long-term goals and objectives. We hope that you agree.

Amazon has made it very simple for you to designate a qualified, non-profit organization as your preferred recipient of support for the online purchases you make.

Once you have set things up on your personal Amazon account, you will want to begin signing in for future purchases by using <https://smile.amazon.com> in order to be certain that Vivante Espero benefits from the purchases you make.

It's that simple. So, please show your support for NARSOL by designating Vivante Espero as your Amazon Smile partner today and let your online purchases provide some critical financial support for our advocacy efforts. And thank you!
