

Letter to the Editor: Sex offender registry issue needs to be addressed

written by admin | September 8, 2021

As a counselor in the state of Florida, I think it's time to address challenges concerning social media and illegal sex with minors, and the growing number of designated sex offenders in our state (356/100K – total 76,000 in Florida – 800K nationally). All sex offenders are not child molesters. Pedophiles and rapists are. The [...]
