

Stranger Dangers: The Right's History of Turning Child Abuse Into a Political Weapon

written by admin | April 1, 2022

Josh Hawley's attacks on Judge Ketanji Brown Jackson are part of a long, sad tradition. At some point between the '80s and now, leaving children unattended in public became unthinkable. To let children as old as, say, 10 walk by themselves became grounds to investigate parents for neglect. As a child of the

[Read more](#)
