

Youth who have or had a parent in jail or prison are needed for a research study

WHY ARE WE DOING THIS STUDY?

We are conducting this study to identify needs, supports, and barriers to supports for families affected by incarceration.

WHO ARE WE LOOKING FOR?

Youth ages 12-18 who have had a parent in jail or prison during their lifetime.

WHAT WOULD HAPPEN IN THE STUDY?

- You will participate in a 30-60 minute phone interview.
- You will be asked about your experiences having a parent incarcerated
- You will be asked about specific needs and barriers to supports

WHAT ARE THE BENEFITS OF PARTICIPATING?

- Participation is voluntary.
- The research study is confidential.
- You will receive a \$40 gift card for your time.
- Information from this study will help inform interventions to support children and their families affected by parental incarceration

HOW DO I PARTICIPATE OR FIND OUT MORE?

Contact research staff for the Supporting Children with Incarcerated Parents (SCIP III) study at scip3@nationwidechildrens.org or by phone at 614-355-0202 and let them know that you are a youth who wants to participate in the SCIP III study!

Principal Investigator: Dr. Deena Chisolm
